Build your practice

Premier Pediatrics works hard to build your name and practice in the community. From marketing to practice strategy, we know how to spread the word that you've joined our team! We encourage our providers to attend events where you can engage in the community. We advertise in our marketing campaigns. And as always, we train our team to encourage patients to schedule appointments with you.

Compensation packages

At Premier Pediatrics, we pride ourselves on taking care of our providers and team members. We want to work with your schedule needs, and offer competitive wages while accommodating the ideal lifestyle you desire.

Benefits

We offer the following benefits for our providers & their families:

- Health
- Dental
- Vision
- Short & Long-term disability
- Life Insurance

Flexibility and time off

We value our providers time with their families. After all, we are a family centered business. We know how important it is to have family time and encourage our providers to use their time off so they can continue to provide the best possible care for our patients. We have an easy system where you can request time off from your mobile device.

Your voice is heard

As a member of our provider team, we value your feedback. We have weekly provider huddles, and monthly provider meetings. This is a time where we review what's new in the clinic, set goals, and of course take feedback from our providers to better serve our patients. We rely on our providers input to provide the best possible care for our patients.
